

RURAL METRO FIRE

Rural Metro Fire Department Client Referral

We realize that you play an important role in the process of communicating information to your customers. Be it home building and sales, insurance, property rental or title services, it's crucial to provide your customers all the important information associated with these various processes including the disclosure of the need for fire protection in Maricopa and Pinal counties.

Customers who secure fire department services as a result of your referral, will receive a 15% one-time only discount on their annual fire service!

The completed referral form may then be forwarded to any of the following:
